Silverlake Axis Congratulates AEON Group on Successful Implementation of Retail Automation Solution in Indonesia

Singapore, 2 June 2015 – Singapore Exchange Mainboard listed Silverlake Axis Ltd (“Silverlake Axis” or the “Group”), a leading provider of Digital Economy Solutions and Services to major organisations in Banking and Financial Services, Payments, Retail and Logistics businesses, would like to congratulate AEON Group on their recent success in the implementation of PROFIT Retail Automation Solution in Indonesia.

QR Technology Sdn Bhd (“QR”), a wholly owned subsidiary of Silverlake Axis, is a provider of the proven global retail automation and management solution. Its PROFIT Retail Automation Solution is used by large and varied retailer groups in Asia and internationally.

AEON Indonesia is the latest rollout of PROFIT to support AEON Group’s expansion in Asia. This was in preparation for the opening of AEON’s first shopping mall in Indonesia on 30 May 2015. One of AEON Group-wide strategy is to focus on growing its business in ASEAN countries to benefit from the growing domestic consumerism. AEON opened its first stores in Vietnam and Cambodia in 2014, followed by Indonesia in 2015 and has plans to open more stores in 2016.

“QR is AEON Group’s retail automation solution strategic partner since 2003 with the first rollout of PROFIT in AEON Malaysia. The successful rollout of PROFIT in AEON Indonesia is a testimony of QR’s continued commitment to support AEON Group’s expansion in ASEAN,” said Dr Raymond Kwong, CEO and Group Managing Director of Silverlake Axis.
